

# Idlewild Trust Funding Guidelines 2019

It is important that you read the information in this document, particularly Section 4: *Exclusions*. We also suggest you read the *Frequently Asked Questions* in the *Apply For a Grant* section of our website at [www.idlewildtrust.org.uk](http://www.idlewildtrust.org.uk).

## Introduction:

Idlewild Trust is an independent grant-making trust that runs two grants programmes supporting specific areas within conservation and the arts.

- **Arts Grants: Nurturing Young Professionals:** We support programmes that improve opportunities for young professionals working creatively within the arts, particularly at an early stage in their career.
- **Conservation Grants: Objects and Works of Art:** We support the conservation of historic or artistically important objects and works of art in museums, galleries, places of worship, historic buildings or their grounds.

## 1. Key facts:

Idlewild Trust awards grants of up to £5,000. In 2018 Idlewild Trust awarded 41 grants totalling £148,680 an average of £3,626.

## 2. Charitable status:

Idlewild Trust accepts applications for **Arts Grants** and **Conservation Grants** from the following types of organisation:

- **UK Registered Charity**
- **UK Publicly Exempt Charity: Some Museums and Galleries:** most museums and galleries are UK Registered charities, but some that not. UK Publicly Exempt Charities include 14 named national museums and galleries listed in Annex 1, p.13 of the Exempt Charities document cc23 (<https://www.gov.uk/government/publications/exempt-charities-cc23>) and Idlewild Trust considers applications from these. We also consider museums or galleries of national importance within universities that are UK Publicly Exempt Charities and have their own management and budgets.

We accept **Conservation Grants** from the organisations above, as well as the following:

- **Church that is an Excepted Charity:** this type of church is 'excepted' because their income is £100,000 or less per annum and because they are linked to a list of bodies found in Section 5 at: <https://www.gov.uk/government/publications/excepted-charities/excepted-charities-2>. Other churches are required to register as a UK Registered Charity.

## UK Registered Charities – further information :

**England and Wales:** charities must be registered with the Charity Commission.

<http://www.gov.uk/government/organisations/charity-commission>

**Scotland:** charities must be registered with the OSCR (Scottish Charity Register) (<http://www.oscr.org.uk/>)

**Northern Ireland:** Charities must either be registered or 'deemed' with the Charity Commission Northern Ireland (<https://www.charitycommissionni.org.uk>)

### **Please note:**

If you are a UK Registered Charity, we check the Charity Commission and Office of the Scottish Charity Regulator records online to see if your charity's annual returns and accounts are up-to-date.

## **3. Our Two Grants' Programmes:**

### **3.1 Arts: Nurturing Young Professionals:**

**Aim:** We want to improve opportunities for young professionals working creatively in the arts at an early stage in their careers.

**How:** We consider programmes that encourage and nurture the talent of young professional musicians, dancers, actors, writers and artists in the performing, fine and applied arts aged 18 and over. Programmes need to be run by professional organisations that are UK registered charities with a strong track-record. Programmes need to involve young professionals with training or experience who will then be ready to launch or develop their early professional career.

Idlewild Trust will also consider programmes of high quality for other young professionals working creatively within the performing, fine and applied arts including composers, curators and theatre-makers (directors, designers, producers, writers and choreographers).

### **3.2 Conservation: Objects and Works of Art:**

**Aim:** We support the conservation of important works of art and objects that are being lost through the lack of funds to look after these works.

**How:** We consider projects that aim to conserve historic or artistically important objects and works of art including artefacts, textiles, furniture, metalwork, manuscripts, wall paintings, tombs and stained glass of high quality. Works must be in museums, galleries, places of worship and historic buildings or their grounds, and be accessible to the public.

Conservation Reports need to be completed and available before you apply to us\*. An accredited conservator needs to undertake the work and we ask about your plans for care of the work after it conserved. We also ask that your organisation owns the object or work of art. Organisations must be UK registered charities or some specific Exempt and Excepted Charities. (*\*see under 4.2 below for ChurchCare's grants programme for conservation reports for Church of England churches*)
